Redirect Your Taxes.
Change a Life.
Provide scholarships and receive 50% back.

Every child deserves a choice.

Right now, there are families who deeply desire a Christ-centered education for their children but simply cannot afford it. Through The Sagamore Institute, an Indiana Scholarship Granting Organization (SGO), you can help provide critical, income-based scholarships for FaithWay Christian Academy students whose families cannot cover full tuition on their own. Your generosity steps into that story and changes it.

When you give, you are not just making a donation. You are providing a scholarship that opens the door for a student to learn, grow and thrive in an environment that reflects their family's values.
